Senior BJP Leader and Hon'ble Union Home and Minister of Cooperation Shri Amit Shah addressed a *Parivartan Sabha* in Sahibganj and Giridih, Jharkhand on Friday. In his address, Shri Shah underscored the importance of the *Parivartan Yatra* for the development of Jharkhand and highlighted the initiatives taken by the Bharatiya Janata Party to promote

the welfare of tribal communities and advance the overall progress of the state. During the events, Jharkhand BJP President Shri Babulal Marandi, Assam CM Shri Himanta Biswa Sarma, Union Minister Shri Shivraj Singh Chouhan and Shri Champai Soren among other leaders were present.

Shri Shah visited Bhognadih, the birthplace of Sidho-Kanho, a prominent freedom fighter and great leader of Santhal community. He commenced his address by seeking the blessings of *Baba Vaidyanath*, the sacred land of the brave, and the holy waters of *Uttarvahini Maa Ganga*.

Union Home Minister Shri Shah mentioned a **yatra has been launched from the tribal region of Palamu and another is starting from Giridih. Both of them are called the 'Parivartan Yatra' with a total of three such yatra planned.** These *yatras* aim to reach every village and household in Jharkhand in the coming days, spreading the message of *Parivartan*. The focus is not just on changing the chief minister, and replacing the JMM and Congress government with the BJP government. But **the aim is to bring about a transformation by removing a corrupt government and establishing a government that will combat corruption.** The goal is to bring about change by replacing a government that endangers the land, the daughters and the culture of the Tribals, and instead establish a government that will identify and expel infiltrators from the country.

Shri Shah stated that the ***Parivartan Yatra* has come with the dream of development for Jharkhand.** It aims to fulfill the vision of '***Viksit Jharkhand, Mahan Jharkhand***' as envisioned by Hon'ble Prime Minister Shri Narendra Modi Ji. This *yatra* is focused on removing infiltrators from Jharkhand and ensuring the safety of women. It is also dedicated to providing employment opportunities for the youth and promoting the welfare of tribals, OBCs and Dalits.

Union Home Minister Shri Shah emphasized the necessity of a government that supports Shri Narendra Modi Ji, with the aim of increasing farmers' incomes. Instead of the youth from the state going to other parts of the country for employment, there should be a government that creates job opportunities in Jharkhand. **BJP intends to change not just the Chief Minister but to transform the entire state of Jharkhand.**

Shri Shah noted that Jharkhand was formed under the leadership of Shri Atal Bihari Vajpayee and now Hemant Soren's government has prioritized the welfare of infiltrators over the public good. In Pakur district, slogans like "*Hindu aur Adivasi Jharkhand Chodho*" are being raised. **This land belongs to the tribals, not to Rohingya or Bangladeshi infiltrators and it is essential to protect it.** Neither Hemant Soren nor the Congress party but only Hon'ble Prime Minister Shri Narendra Modi Ji can ensure the safety of the land.

Union Home Minister Shri Shah remarked that Lalu Yadav's party, the JMM and Rahul Gandhi's Congress all rely on a vote bank of infiltrators. They refrain from acting against these infiltrators out of fear of losing their vote bank. Shri Shah further highlighted that the **Jharkhand High Court has recently mandated the formation of a committee of both the Jharkhand government and the Central government's home ministries. Once the BJP**

government comes to power in Jharkhand, infiltrators will be systematically expelled from the state.

Shri Shah stated that Hemant Soren had promised to provide 500,000 jobs each year, but instead, he has just deceived the youth. **There have been consecutive paper leaks for various exams, including those for the academic council, junior engineer, lab assistant, municipal positions and graduate-level jobs, as well as the JPSC exam.** Papers are being sold for money, resulting in poor tribal youth being left without job opportunities. **BJP will take action to ensure that all those involved in the paper leaks are held accountable.**

Union Home Minister Shri Shah remarked that the Congress party has always been against OBCs. For 50 years, they suppressed the Kaka Kalelkar report and Indira Gandhi refused to implement the Mandal Commission's report and Rajeev Gandhi had also opposed its implementation. **It was Congress that failed to grant constitutional status to the OBC Commission for 70 years. However, it is Hon'ble Prime Minister Shri Narendra Modi Ji who finally gave it constitutional recognition.** Under the leadership of Shri Narendra Modi Ji 16 new castes were included under the backward classes category and for the first time 27% OBC reservation in MBBS and MD admissions was introduced. 27% OBC reservation in *Kendriya Vidyalyayas, Navodaya Vidyalyayas* and Sainik Schools has been provided.

Shri Shah stated that Hemant Soren had promised to provide ₹2,500 to widows in Jharkhand, unemployment benefits to the youth, 500,000 jobs and ₹72,000 yearly to poors in the state. The Soren government was also supposed to give gold coins to newly married women. However, all Hemant Soren has delivered is corruption, with none of these promises fulfilled. **Soren government promised to address the issues faced by Jharkhand's original residents, the Sadans, but has taken no meaningful steps to resolve their concerns. It is a government that stays silent and breaks its promises.**

Union Home Minister Shri Shah remarked that **Hemant Soren's government in Jharkhand is the most corrupt in the country.** ₹350 crore rupees were discovered from the residence of Congress leader Dheeraj Sahu, this is also highlighted on the BJP's website. This is an amount that ordinary people never encounter at a single place at once. This money belongs to the poor youth and tribals of Santhal, from whom it has been misappropriated by the INDI Alliance. Additionally, ₹35 crore in cash were found at the home of Jharkhand Congress Minister Alamgir Alam. During an interview, SPI officers noted that even the machines were overheating while counting the recovered money.

Shri Shah pointed out that there have been scams amounting to ₹1000 crore in MNREGA, ₹600 crore in land dealings and another ₹1000 crore in mining, along with the appropriation of military land and a ₹40 crore liquor scam. **A government involved in such corruption can never prioritize the welfare of the tribals.** Hon'ble Prime Minister Shri Narendra Modi Ji is the one who has genuinely worked for the betterment of tribals. For the first time, a tribal woman from Santhal is sitting in the President's House, a significant achievement made because of Hon'ble Prime Minister Shri Narendra Modi Ji. **Shri Narendra Modi Ji has also played a key role in eradicating Naxalism from Jharkhand and paving the way for development.**

Union Home Minister Shri Shah remarked that Hon'ble Prime Minister Shri Narendra Modi Ji has taken the initiative to celebrate Bhagwan Birsa Munda's birth anniversary as '*Jan Jatiya Gaurav Diwas*' across the country. With an investment of ₹200 crore, museums have been established for 10 tribal freedom fighters. **Although JMM and Congress claim to prioritize tribal welfare, they do not reveal their budget when it was their government at the Center.** In 2013-14, the government's budget was ₹30,000 crore for tribal welfare, whereas Hon'ble Prime Minister Shri Narendra Modi Ji has allocated ₹1 lakh 30 thousand crore for tribal welfare for the year 2024-25. The Hon'ble Prime Minister has also provided funds for the District Mineral Fund.

Shri Shah stated that Hemant Soren, the Congress party and Lalu Yadav cannot account for what the UPA government gave to Jharkhand. However, **in those 10 years, the UPA gave only ₹84,000 crore to Jharkhand, whereas, Hon'ble Prime Minister Shri Narendra Modi Ji provided ₹3 lakh 81 thousand crore.** Shri Narendra Modi Ji holds Jharkhand close to his heart. In heavy rainfall, Hon'ble PM Shri Narendra Modi Ji addressed a public gathering in Jharkhand after traveling 120 km by road. **In the history of India's independence, no other Prime Minister has traveled such a long distance by road to meet the people, setting an unprecedented example.**

Union Home Minister Shri Shah stated that the **Congress government has disrespected Dalits and has shown disrespect to Dr. B.R. Ambedkar throughout its existence.** The Bharatiya Janata Party's central and state governments have established five sacred sites: *Janam Bhoomi* in Mau, *Shiksha Bhoomi* in London, *Deeksha Bhoomi* in Nagpur, *Mahaparinirvana Bhoomi* in Delhi, and *Chaitya Bhoomi* in Mumbai, all under the leadership of Shri Narendra Modi Ji and the BJP.

Shri Shah noted that through the PM Janjatiya Unnat Gram Abhiyan, Hon'ble Prime Minister Shri Narendra Modi Ji has initiated to develop 63,000 villages with an investment of ₹50,000 crore. **BJP will soon release its manifesto, which includes provisions for free medical treatment up to ₹10 lakh at home for individuals over 75 years old and rice will be purchased at a fair price.**

Union Home Minister Shri Shah pointed out the lack of infrastructure in Jharkhand's villages, stating that there are no roads and if roads exist, there are no ambulances, if ambulances are available, there are no hospitals and if hospitals are present, there are no doctors. He committed that **over the next five years, with the people's trust in Shri Narendra Modi Ji, efforts will be made to establish roads, ambulances, hospitals and doctors in every tehsil, ensuring that every village is connected by road.**

Shri Shah highlighted that the **tribal population in Santhal Pargana was 44%, but it has now decreased to 28% under the Hemant Soren government.** 37 tribal women have been raped, and 33 tribals have died in police custody. A tribal daughter from Sahibganj was murdered, and another from Dumka, named Ankita, was also killed. Yet, the **Hemant Soren government remains silent and does not address these issues because the perpetrators are part of their vote bank of infiltrators.** Jharkhand is a state rich in potential, capable of

contributing significantly to the nation's wealth, yet its people remain poor. Many residents travel to Gujarat, Maharashtra, Haryana, Delhi, Karnataka, and Kerala in search of jobs. However, **once a BJP government with a full majority is established, job opportunities will flourish in Jharkhand.**

Union Home Minister Shri Shah assured the people that **once the BJP is in power in Jharkhand, actions will be taken to remove infiltrators effectively.** Some of the **country's largest welfare schemes were launched by Hon'ble PM Shri Narendra Modi Ji from Jharkhand, including the Ayushman Bharat scheme and the Mudra scheme.** Additionally, **PM JANMAN (Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan) was also launched from Jharkhand.** Hon'ble PM Shri Narendra Modi Ji has announced to celebrate the 150th birth anniversary of Bhagwan Birsa Munda as ***Adivasi Gaurav Divas.***

Shri Shah stated that on one hand, there is the ***Ghamandia* alliance that engages in corruption for the benefit of their own families,** while on the other hand, there is the Hon'ble Prime Minister Shri Narendra Modi Ji and the Bharatiya Janata Party, dedicated to the welfare of tribals. **One side consists of Hemant Soren, who schemes to win elections with the help of infiltrators, while the other side is the BJP, which is focused on protecting tribals by identifying and removing infiltrators.** Union Home Minister Shri Amit Shah urged the people of Santhal to support and make the Parivartan Yatra a success and to support the Bharatiya Janata Party by pressing the '**Lotus**' symbol in the forthcoming assembly elections.
