

Union Home Minister and Minister of Cooperation Shri Amit Shah inaugurates and lays foundation stone for various projects at Brahmanand Vidyadham in Junagadh, Gujarat

The entire educational system at Brahmanand Vidyadham, ranging from Anganwadi to a medical college for over 4,000 students, is commendable

Previous governments, out of fear of vote bank, used to keep the country's problems pending, Modi Ji resolved all the pending issues

The security of the country is the first duty of the Modi government, and the government will never leave any deficiency in the country's security

Under the guidance of Shri Muktanand Bapu, several initiatives have been launched in a small village, including a 450-bed hospital, a veterinary hospital, a naturopathy center, a military school, and the Anand Dhara project

Union Home Minister and Minister of Cooperation Shri Amit Shah inaugurated and laid foundation stone for various projects at Brahmanand Vidyadham in Junagadh, Gujarat today.

Addressing the program, Union Home Minister and Minister of Cooperation Shri Amit Shah said that under the leadership of revered saint Shri Muktanand Bapu, the entire educational system at Brahmanand Vidyadham, ranging from Anganwadi to a medical college for over 4,000 students, is commendable.

Shri Amit Shah said that today, the darshan of Somnath Jyotirling, the foundation stone of the sugar mill, and the inauguration of the military school took place. He mentioned that previous governments, out of fear of vote bank, kept the country's problems pending. Important issues like the removal of Article 370 from Kashmir, abolition of the triple talaq provision, the Uniform Civil Code, CAA, and the construction of the Ram Temple were left pending. But when the son of Gujarat, Shri Narendra Modi Ji, took the reins of the country, within 10 years, he resolved all the pending issues. Shri Shah said that after 550 years, Lord Ram has been seated in his grand temple, moving out from the tent. The Kashi Vishwanath Corridor, which was destroyed by Aurangzeb, has been rebuilt. The Somnath Temple, which was repeatedly destroyed by invaders, has also started the work of being renovated with gold.

Union Home Minister said that the security of the country is the first duty of the Modi government. He assured that the government will never leave any deficiency in ensuring the country's security. He added that when the opposition party was in power, they ignored the country's security. Terrorists from Pakistan would come, carry out bomb blasts, and leave, but no response was given. He said that when Modi Ji became Prime Minister in 2014, attacks took place in Uri and Pulwama in 2015. The terrorists from Pakistan probably didn't realize that the Prime Minister and government had changed, and Shri Narendra Modi Ji was now the Prime Minister. Under Modi Ji's leadership, within 10 days, surgical strikes and airstrikes were carried out, entering Pakistan's territory and wiping out the terrorists. Since that day, the entire world understood that Indian army stands formidable to protect its borders, and those who dare against it will have to face the consequences.

Shri Amit Shah said that 60 to 70 crore people in this country are dependent on agriculture, but the previous government was indifferent to both farmers and agriculture. He mentioned that the then government allocated only Rs. 22,000 crore for

agriculture in the 2013-14 budget, but today, under Modi Ji's leadership, the budget for the agriculture sector has been increased six fold to Rs. 1.37 lakh crore. He added that Modi Ji has provided Rs.25 lakh crore in loans to farmers.

Union Home Minister and Minister of Cooperation said that today, an education-related program took place, during which the inauguration of the Military School was held. Additionally, the foundation stone was laid for the staff quarters of the Military School, the staff quarters of Brahmanand Vidyadham, various projects of Jai Ambe Hospital, and the medical college. He mentioned that Shri Muktanand Bapu has been serving selflessly for many years and has always helped those in trouble. Today, under his guidance, several initiatives have been launched in a small village, including a 450-bed hospital, a veterinary hospital, children's institutions, a naturopathy center, a military school, and the Anand Dhara project. He also said that Shri Muktanand Bapu fed 25,000 people every day during the Kumbh. Shri Shah emphasized that this Maha Kumbh has delivered a strong message of Sanatan to the entire world, which will be remembered for many years to come.
