

Union Home Minister and Minister of Cooperation Shri Amit Shah visits Jammu and inspects the rain, flood, and landslide-affected areas of the Jammu division to take stock of the damages caused by the natural disaster

In Jammu, the Home Minister met flood-affected people of Chak Mangu village and also inspected the Tawi bridge, Shiv Mandir, and houses damaged by floods in Jammu

A high-level meeting chaired by the Union Home Minister reviewed the latest situation

Union Home Minister expresses grief over the loss of lives in recent natural disaster incidents

Modi government stands firmly with the people of Jammu and Kashmir and is providing immediate relief, financial assistance, and technical support to facilitate safety, rehabilitation, and reconstruction

The Meteorological Department and NDMA should study the causes of cloudbursts using data analytics and AI

Survey teams from the Ministry of Home Affairs will

assess the damage, and further assistance will be provided

The J&K administration and all agencies together minimized the potential damage, and with coordinated efforts, we were able to save many lives, however, there is still a need to further strengthen the system

The Home Minister emphasizes the need for a critical review of the GLOF (Glacial Lake Outburst Flood) Early Warning System

Posted On: 01 SEP 2025 5:28PM by PIB Delhi

Union Home Minister and Cooperation Minister, Shri Amit Shah, today visited Jammu and inspected the rain, flood, and landslide affected areas of Jammu division and took stock of the damages caused by the natural calamity. The Union Home Minister also met the flood-affected people in Mangu Chak village, Jammu. Shri Amit Shah inspected the Tawi Bridge at Bikram Chowk, the Shiv Temple, and homes damaged by floods in Jammu.

After the visit, Union Home Minister chaired a high-level meeting to review the latest situation. The Lieutenant Governor of Jammu & Kashmir, Shri Manoj Sinha, Chief Minister Shri Omar Abdullah, senior officers of the Central and UT Government attended the meeting.

Union Home Minister expressed grief over the loss of lives in the recent incidents. Shri Shah said that in this hour of crisis, from the very first day, Prime Minister, Shri Narendra Modi has spoken to the Lieutenant Governor and Chief Minister of the UT and the Government of India has put in all its strength in the rescue efforts. Shri Shah said that the Union Territory and all agencies together have significantly reduced potential damage, and through coordinated efforts, we have successfully saved many lives.

Shri Amit Shah said that a critical analysis of all Early Warning Apps (EWAs), their accuracy, and their reach to the grassroots level is necessary. He emphasized that improving our systems through critical analysis is the only way to move toward a zero-casualty approach. He highlighted the need for a critical review of the GLOF Early Warning System.

Union Home Minister said that the Meteorological Department and NDMA should jointly study the relationship between the tendencies leading to cloudbursts and moisture content in clouds, identify causes, and establish an early warning system. He stressed that the Ministry of Home Affairs (MHA) must take steps in this direction by leveraging data analytics and AI. He also mentioned that the Food Corporation of India (FCI) should arrange for additional rations, and a decision on offline ration delivery could be made after assessing connectivity in 10 days.

Shri Amit Shah said that, advanced survey teams from the Ministry of Home Affairs would assess the damage, and further assistance would be provided. He announced that a meeting of relevant departments from the Central Government and the Union Territory administration, along with the Union Home Secretary, would be held within 1-2 days. Union Home Minister directed that teams from the Ministry of Home Affairs and the Union Territory government should prioritize damage assessment. He emphasized that the Health and Water Departments must proactively focus on water supply and health services. He further stressed that medical units from the Army, Central Armed Police Forces, and Air Force should also provide support.

Union Home Minister and Minister of Cooperation said that since Jammu & Kashmir is prone to natural calamities, therefore, an amount of Rs. 209 crores for State Disaster Response Fund (SDRF) are allocated to the UT as Centre share, due to which relief work has started.

Union Home Minister said that timely warnings by the Central Government and Union Territory Disaster Management Authority (UTDMA) helped in minimizing the loss of lives. National Disaster Response Force (NDRF), Army, Union Territory Disaster Response Force (UTDRF), Other Response Teams, all were on alert and helicopters were also standby. He said that we had also informed everyone about the mobilization of the Army and the NDRF.

Shri Amit Shah said that private property of people has been damaged and assistance under SDRF for damaged houses is being assessed and will be disbursed in shortest possible time. He added that multiple roads have been damaged and repair & restoration work has started. Traffic movement has started on most of the roads and relief has also started arriving, wherever needed. More than 80 percent electricity supply has been restored in affected areas, people have started receiving pure drinking water and health facilities are running smoothly. Infrastructure of critical sectors has been affected and its temporary restoration is underway at war footing. The damages are being assessed by the UT government and all possible assistance will be provided.

Union Home Minister appreciated the efforts of all the agencies and said that the UT Government carried out the successful rescue operation very quickly and efficiently. More than 5000 people have been evacuated to safer places as a precaution. 17 teams of the NDRF and 23 Army columns, helicopters from Indian Air Force, UTDRF, J&K Police and Central Armed Police Forces (CAPFs) personnel are still engaged in the entire operation and helping people. Health facilities and food arrangements have been made in relief camps by the UT government and the situation will return to normal very soon.

Union Home Minister assured the people of Jammu and Kashmir that in this hour of crisis, the Government of India is standing by their side. He reiterated that under the leadership of Prime Minister Shri Narendra Modi, the Central Government stands firmly with the people of Jammu & Kashmir, providing prompt relief, financial assistance, and technical support to facilitate recovery and reconstruction, while ensuring the safety and well-being of affected communities.
