

**Honorable Union Minister of Home and Cooperation Shri
Amit Shah today addressed the Yuva Shakti Samaroh in
Guwahati of poll-bound Assam**

**Modi Ji organized the world's largest AI summit, but the
Congress tried to defame India there.**

**By having tea and pakoras at the entrance of the House,
Rahul Gandhi tried to malign India's democratic system.**

**In Assam, 1.65 lakh youths have been given jobs without
recommendations or bribes. This is a testament to the BJP's
good governance.**

**The Congress never respected Assam's language, culture,
and identity.**

**Modi Ji has given Assam world-class modern infrastructure
such as the Bogibeel Bridge, Dhola-Sadiya Bridge, AIIMS,
IIM, and the Silchar Expressway.**

**The Modi government has ended the restive image of
Assam created during the Congress era by signing peace
accords with Bodo, Karbi, Adivasi groups, DNLA, and ULFA.**

By laying the foundation stone of a semiconductor factory in Assam, Modi Ji has opened new avenues of development for the youth of Assam and the Northeast.

The Congress turned Assam into a haven for infiltrators, whereas the Modi government has freed 1.51 lakh bighas of land from infiltrators in the same Assam.

The BJP will identify and deport infiltrators who were legalized, formalized, and normalized by the Congress.

No matter how much Rahul Gandhi opposes it, infiltrators will be identified and deported once the BJP government is formed in Assam.

The Modi government has enabled the Ahom, Chutia, Moran, Koch, Rajbongshi, and tea tribes of Assam to become landowners, ensuring them a life of dignity.

Modi Ji has ensured the dignity and security of 3.5 lakh tea garden workers by granting them land rights and providing financial assistance of ₹5,000.

Guwahati, March 15, 2026: Honorable Union Minister of Home and Cooperation Shri Amit Shah today addressed the Yuva Shakti Samaroh in Guwahati of poll-bound Assam.

Shri Shah said that the youth congregation is bigger than the public rally of other political parties, as 1.25 lakh youth are present here from 31400 booths. The enthusiasm of the youth is a clear indication that a BJP government is going to be formed here under the leadership of Himanta Biswa Sarma.

The government that is going to be formed after the next election is going to have the biggest mandate in Assam ever.

In the last manifesto, we promised to give 1 lakh government jobs, and now when the term has ended, we can see that we have far surpassed our goal and have given jobs to 1.65 lakh youths in a transparent manner without any bribery and without any kind of bias. No kharchi and no parchi have been used in these selection processes, and hence, no one has gone to court. This is an example of how the BJP government runs a government.

I now want to ask Rahul Gandhi what he has done for the youth. Congress had a government in Assam for 15 years, and they did

nothing for the youth; rather, their concern always was their own families.

The BJP has enhanced the pride of Assam. No one knew Lachit Borphukan. But during our government, Prime Minister Narendra Modi Ji unveiled the grand statue of Lachit Borphukan. Modi Ji awakened the youth of the nation about the contributions of Lachit Borphukan through his speech at Vigyan Bhawan, New Delhi. We have made the biography of Lachit Borphukan available in every Indian language.

We made Charaideo Maidam a UNESCO world heritage site and enhanced Assam's pride. We honored Bhupen Hazarika with Bharat Ratna and accorded due respect to Assam's culture. Gopinath Bordoloi too was honored with the Bharat Ratna by the late Atal Bihari Vajpayee Ji. We created world records with Assam's Bihu, Jhumur, and Bagurumba dances. We built a grand memorial in the birthplace of Srimanta Shankardev, recovering land from illegal immigrants, and a grand memorial for the martyrs of the Assam Movement.

Congress never respected Assam's culture, language, and heritage. But this honor came only after the BJP formed a

government. During the Congress regime, Assam became a hub of insurgency; hundreds of youths died, including the jawans of the Assam Police. But in 2020 we signed the Bodo Peace Accord, the Karbi Peace Accord in 2021, the Adivasi Peace Accord in 2022, the DNLA Peace Accord in 2023, and the ULFA Peace Accord in 2024. More than 10,800 insurgents have surrendered. The Bogibeel Bridge in Assam is now known as an engineering marvel. Apart from that, the Bhupen Hazarika Bridge, Kumar Bhaskar Bridge, AIIMS, IIM, NFSU, and a riverfront have been built. Modi Ji has recently laid the foundation for the Silchar Expressway. Could anyone imagine a Rs.28,000 crore investment in a single company during the Congress rule? But Modi Ji opened the doors to development for not only Assam but for the entire Northeast by opening a semiconductor unit. GSDP has grown from Rs.4 lakh crore to Rs.7.5 lakh crore. Per capita income has grown from Rs.49,000 in 2014 to Rs.1.54 lakh. Congress made Assam the shelter of infiltrators. We promised to make Assam infiltrator-free, and Himanta Biswa Sarma has made 1.51 lakh bighas of land free from the occupation of the infiltrators. Give us the third mandate; we will now make the entire nation free from illegal immigrants. Infiltrators have entered Dhubri, Darrang, Barpeta, Morigaon, Bongaigaon, Nagaon, and

Goalpara. Each and every home will be examined, and every infiltrator will be deported. The Congress party legalized, formalized, and normalized infiltrators, and the BJP is pledged to deport each and every one of them.

Rahul Gandhi is opposing the SIR because the names of illegal infiltrators are getting deleted from the electoral roll. But he should know that we will not stop at deleting names but will make each and every one of them leave the nation. Congress dishonored the identity, land resources, and cultural foundation of Assam. Infiltrators occupied Kaziranga National Park and the birthplace of Srimanta Shankardev. Himanta Biswa Sarma freed 1.51 lakh bighas of land from them. Give us another mandate, and we will free the entire state from the infiltrators.

Himanta Biswa Sarma Ji has modernized the Assam Police. All the gun-toting groups have surrendered, and the police are now focusing on the security of women and the rights of the citizens. I can assure you that the three new laws that have been passed will increase the conviction rate in Assam by more than 80%.

One of the major achievements of the Assam government is the rendering of the rights to land to lakhs of people from the tribes

and ethnic groups. Congress did nothing for the tribes and tea garden laborers. During their time, tea laborers got a wage of Rs.94, and the BJP government has made it Rs.280. Given every tea garden laborer assistance of Rs.5,000, built 120 model schools, and gave land to 3.5 lakh laborers working in 707 tea gardens.

The Modi government has enabled the Ahom, Chutia, Moran, Koch, Rajbongshi, and tea tribes of Assam to become landowners, ensuring them a life of dignity

On one hand there is the Congress that is wallowing in corruption, and on the other there is the BJP, which is leading the nation on the path of development. On one hand there is the Congress party, which is facilitating the infiltration for the sake of a vote bank, and on the other there is the BJP, which has pledged to deport each and every infiltrator to protect Assam. Congress is only concerned only about the sons and daughters of their leaders, and the BJP is concerned only about the sons and daughters of the poor. Congress defames India by disrupting the AI Summit with their workers appearing half naked. On the other hand, Modi Ji is opening the door of AI for our youth by holding the summit. The BJP gives importance to debates in the

Parliament, and Rahul Gandhi disrupts the Parliament and dishonors the Parliament by having tea and pakora in front of it. The people of Assam have to decide to which party they want to hand over the reins of Assam.
